OVERVIEW:
Greater Dayton Premier Management (GDPM) is a public housing authority serving Montgomery County, Ohio. GDPM is seeking proposals from highly qualified firms to provide Affordable Housing Compliance Services. GDPM, through its nonprofit development entity, Invictus Development Group is undergoing a portfolio wide conversion of its Section 9 Public Housing program. The bulk of the conversion will occur using HUD’s Rental Assistance Demonstration (RAD). The RAD conversion will occur as part of GDPM portfolio conversion from Section 9 of the Housing Act of 1937 to Project Based Vouchers (PBV) under Section 8 of the Housing Act.

The RAD conversion removes HUD’s Declaration of Trust which allows GDPM to pledge the converted properties as security of loans. With this new flexibility, GDPM will utilize financing tools such as Low Income Housing Tax Credits (LIHTC), private debt, along with other soft funds such as Home Investment Partnership (HOME), Federal Home Loan Bank (FHLB), and others.

GDPM anticipates that its portfolio unit mix will become increasingly diverse, creating the need for additional compliance monitoring, specifically for LIHTC and HOME units. Both programs require strict compliance to federal regulations, and the failure to do so can lead to the forfeiture of funding. With few exceptions, GDPM intends to maintain ownership and management of the converted properties. As such, it is imperative that the Consultant work with GDPM to ensure that all units remain in compliance with program rules.

GDPM received portfolio authorization under the RAD program in late 2017. GDPM’s RAD Progress is as follows:

In addition to the LIHTC property GDPM owns and manages, GDPM has two Ohio Housing Finance Agency (OHFA) funded projects underway. Telford-Shroyer is a RAD project funded with state and national housing trust funds. The Southern Montgomery County project is a RAD project recently funded with 4% LIHTC, tax exempt bonds and OHFA HOME funds.

THE RFP AND TIMELINE:
The purpose of the RFP is to evaluate responses in order to select an Affordable Housing Compliance Consultant (Consultant) to provide property management consulting services for multi-family housing developments funded with a variety of sources as described in the Overview. Most of these developments will be subsidized through the Rental Assistance Demonstration (RAD), PBV program and will be subjected to LIHTC and/or HOME program requirements.

The selected Consultant shall have experience with public housing authorities, OHFA and RAD. Through this solicitation, GDPM intends to award one Consultant with a single contract to provide compliance services related to multi-family affordable housing rental management. This RFP will result in an agreement not to exceed five years.
The selected Consultant will be included in GDPM’s Management Capacity Review for the recently awarded Southern Montgomery County 4% Bond project. The selected Consultant must be available to commence work as soon as October, 2019 as outlined in the Timeline below.
