RE: Addendum #4 for IFB 21-01 Job Order Contracting

Prepared by: Greater Dayton Premier Management (GDPM)

This Addendum modifies and shall become a part of the original Invitation for Bid (IFB) and is hereby made part of the Bidding Documents for the referenced project.

All bidders shall indicate in their Quote that this Addendum has been received and considered in their bid.

The Addendum items are intended to supplement, clarify or correct parts of the IFB package. Items in the addendum shall take precedence over items corrected and shall be of equal value with items supplemented or clarified. Due to the uniqueness of Job Ordering Contracting, GDPM has elected to extend the dates, as noted below.

Question #1: Are we able to submit a bid for more than one contract category and are we able to be awarded more than one category?

Response: Contractors are allowed to provide a response to one category, large project (greater than \$100,000.00) or small project (less than \$100,000.00). GDPM will make the determination to extend services to contractors outside each category if the needed arises. Contractors may submit for multiple trades.

Question #2: Page 3, Section III of the Bid Packet (BID GUARANTY) states that the Bid Guaranty and Contract Bond can be submitted as part of the electronic bid. It also states that if a Bid Packet is submitted electronically, the Guaranty must be received by GDPM prior the bid deadline. **Please confirm if an original (hard) copy needs to be submitted and received prior to the bid deadline or if the electronic copy of the Guaranty is sufficient.**

Response: An electronic copy of the Guaranty is sufficient.
