Addendum

1. We have a question regarding if you intend for the services to be applied for this year or for next year?
Response: Intended services would be this year's anticipated Choice Implementation NOFA.
2. If you could please specify which proof of licenses and credentials you are referring to?
Response: This is a standard question as part of GDPM's solicitation documents. It is not applicable to responders of this RFP, no response is required.
3. Another question regarding the RFP. Exhibit 1 mentions Recent Investments, can you provide some clarification as to what that means?
Response: Typically there is a NOFA question (or narrative) related to investments in the targeted area. Exhibit 1 is a list of the recent investments in the Choice targeted area. It also demonstrates momentum and commitment to the area.
