**RFQ 512-549-01**

If you would like to submit a bid, you must complete the GDPM Quote Form. It must be signed. If the proposal section does not have enough room for your proposal, please write 'see attached' and attach your quote.

If you are interested in working with GDPM, please contact [housingdevelopment@dmha.org](mailto:housingdevelopment@dmha.org) and request a vendor registration packet. Once submitted you will be notified of all contracting opportunities related to the areas you select when registering.

**PROJECT NAME: Short Helena CCTV System**

**LOCATION: 40 East Helena Street, Dayton OH, 45402**

**PROJECT NAME Huffman Parnell CCTV System**

**LOCATION: 1202 Huffman Ave. Dayton OH, 45402**

GDPM is seeking quotes for work at the abovementioned properties. **These two properties will be bid as one project**. The work is referenced below and in the attached scope of work. Please include your quote in the "Contractor Proposal Price" box on the attached Request for Quote (RFQ) form or attach your proposal to the RFQ Form. The RFQ form must be signed and submitted.

**How to Quote:** Please provide overall quote for labor/material using the enclosed Request for Quote Form.

Email quotes to [housingdevelopment@dmha.org](mailto:housingdevelopment@dmha.org) **Questions:** Kevin Arnold at 937-910-7637, [karnold@dmha.org](mailto:karnold@dmha.org)

**Quote Deadline:** July 08, 2025, by 10:00 AM.

## **SHORT HELENA SCOPE**

### **CCTV PROJECT**

#### **PART 1 – GENERAL**

##### **1.1 SECTION INCLUDES**

1. Project: Exterior CCTV Exterior Cameras at the Short Helena Apartment Complex 40 East Helena Street Dayton OH, 45415
2. Owner: Greater Dayton Premier Management  
400 Wayne Avenue Dayton, Ohio 45401
3. The work includes but is not limited to the following work at the Short Helena Property:
  - Install (5) five IP-based Verkada CD63-E exterior dome cameras, 4K, zoom lens with 512GB storage capacity cloud security cameras or equal.
  - The exterior cameras shall be mounted on the building with exterior mounting bracket(s) hardware for Verkada cameras or equal. This shall include cap mount and other hardware needed to accomplish the installation.
  - 200 feet of CAT6 cable with terminations, labels and testing.
  - Install exterior Nema metal box for hardware. The box should be mounted no less than 10 feet from the ground.
  - Install a power over Ethernet switch-power supply with 5 ports for the cameras.
  - Configure all cameras to connect the local network.
  - The cameras will have the capability of real time remote access and have the capability of using facial recognition.
  - The cameras must include advanced analytical features, such as people analytics with facial recognition capabilities and the ability to filter video based on attributes like clothing color.
  - The scope of work shall include a 5 Year Verkada camera license or equal agreement.
  - The installation will require a turnkey approach, with the vendor responsible for mounting, cabling, conduit, power, and internet setup. Additionally, the vendor will configure each camera, integrating them into the current network using VLANs and ensuring mobile access for footage management.
  - The cameras must also support automatic firmware and software updates to ensure continuous improvements and security.
  - The approximate location of the cameras is shown on the attached drawing. The contractor shall visit the site with the project manager/security chief to determine the precise location of the cameras.
  - The vendor shall be responsible for installing power cables or related hardware and must tie in to existing building electrical power systems/supply.

#### **Short Helena CCTV System**

## **SHORT HELENA SCOPE CCTV PROJECT**

- The contractor shall visit the site to verify quantities, conditions and take measurements necessary for bidding (quotation) purposes. This shall include CAT 6 wiring and such like components, location for components, power supply and mounting etc. Arrangements to visit the site may be made by contacting Kevin Arnold project manager, at 937-910-7637.
- The means and methods on how the wiring and associated components shall be installed, are at the contractor's discretion. The contractor shall be responsible for all patching and repairing of walls, drywall, plaster, cores drilling, texture etc.
- The power for the system shall be integrated with the house meter circuit onsite that supplies power to the exterior lights on the property.
- The contractor will be responsible to supply all electrical hardware, junction boxes, wiring, cables, and terminations, power supplies switches, compatible with system hardware and such like components. **The contractor shall make all electrical connections and make modifications as needed to accomplish the installation.** The contractor shall supply and install all software related to the functionality of the CCTV system.
- The contractor shall supply and install all software related to the functionality of the CCTV system.
- The contractor will be responsible for any all damages done to GDPM/DMHA and or resident property and at no additional expense to Housing Authority. Any damage caused by this work shall be completed the same day.
- Manufactures warranties shall apply and all work done by the contractor shall carry a 1- year warranty from date of acceptance. All warranty calls must have a response in a timely manner and repair technicians must be onsite no later than 1 day (within 24 hours) after receiving a call from DMHA/GDPM.
- The contractor shall be responsible for paying all permits fees and inspections necessary to complete all work related to the installation of the CCTV System All work shall comply with Federal, State, and Local Codes.
- The contractor shall conduct a training session for selected GDPM/DMHA staff on how the system operates.
- The work shall be completed within 60 days after the issuance of a purchase order to execute the work.
- Any change to the scope of work shall be done by addendum.

**Short Helena CCTV System**

**END OF SHORT HELENA SECTION**

## **PART 2 – GENERAL**

### **1.2 SECTION INCLUDES**

1. Project: CCTV Cameras at the Huffman Parnell Apartment Complex 1202 Huffman Ave. Street Dayton OH, 45402
2. Owner: Greater Dayton Premier Management  
400 Wayne Avenue Dayton, Ohio 45401
3. The work includes but is not limited to the following work at the Huffman Parnell Property:
  - Install (6) six IP-based Verkada CD63-E exterior dome cameras, 4K, zoom lens with 512GB storage capacity cloud security cameras or equal.
  - Install (1) one IP based Verkada CN62-TE exterior bullet camera with 4K resolution, zoom capable with 512GB storage capacity, cloud security cameras or equal.
  - The exterior cameras shall be mounted on the building with exterior mounting bracket(s) hardware for Verkada cameras or equal. This shall include cap mount and other hardware needed to accomplish the installation.
  - Install (2) two CM 42 interior mini dome camera, 5MP with fixed optics, 256GB storage capacity, cloud security cameras or equal. (The location of the cameras shall be determined after the contract is awarded).
  - 200 feet of CAT6 cable with terminations, labels and testing.
  - Install a power over Ethernet switch-power supply with 8 ports for the cameras.
  - Configure all cameras to connect the local network.
  - The cameras will have the capability of real time remote access and have the capability of using facial recognition.
  - The cameras must include advanced analytical features, such as people analytics with facial recognition capabilities and the ability to filter video based on attributes like clothing color.
  - The scope of work shall include a 5 Year Verkada camera license or equal agreement.
  - The installation will require a turnkey approach, with the vendor responsible for mounting, cabling, conduit, power, and internet setup. Additionally, the vendor will configure each camera, integrating them into the current network using VLANs and ensuring mobile access for footage management.
  - The cameras must also support automatic firmware and software updates to ensure continuous improvements and security.
  - The approximate location of the cameras is shown on the attached drawing. The contractor shall visit the site with the project manager/security chief to determine the precise location of the cameras.
  - The vendor shall be responsible for installing power cables or related hardware and must tie in to existing building electrical power systems/supply.

## Huffman Parnell CCTV System

- The contractor shall visit the site to verify quantities, conditions and take measurements necessary for bidding (quotation) purposes. This shall include CAT 6 wiring and such like components, location for components, power supply and mounting etc. Arrangements to visit the site may be made by contacting Kevin Arnold project manager, at 937-910-7637.
- The means and methods on how the wiring and associated components shall be installed, are at the contractor's discretion. The contractor shall be responsible for all patching and repairing of walls, drywall, plaster, cores drilling, texture etc.
- The power for the system shall be integrated with the house meter circuit onsite that supplies power to the exterior lights on the property.
- The contractor will be responsible to supply all electrical hardware, junction boxes, wiring, cables, and terminations, power supplies switches, compatible with system hardware and such like components. **The contractor shall make all electrical connections and make modifications as needed to accomplish the installation.** The contractor shall supply and install all software related to the functionality of the CCTV system.
- The contractor shall supply and install all software related to the functionality of the CCTV system.
- The contractor will be responsible for any all damages done to GDPM/DMHA and or resident property and at no additional expense to Housing Authority. Any damage caused by this work shall be completed the same day.
- Manufactures warranties shall apply and all work done by the contractor shall carry a 1- year warranty from date of acceptance. All warranty calls must have a response in a timely manner and repair technicians must be onsite no later than 1 day (within 24 hours) after receiving a call from DMHA/GDPM.
- The contractor shall be responsible for paying all permits fees and inspections necessary to complete all work related to the installation of the CCTV System All work shall comply with Federal, State, and Local Codes.
- The contractor shall conduct a training session for selected GDPM/DMHA staff on how the system operates.
- The work shall be completed within 60 days after the issuance of a purchase order to execute the work.
- Any change to the scope of work shall be done by addendum.

## DISCLAIMER

The completion and submission of the Vendor Registration Form does not guarantee any minimum or maximum amount of work for a Vendor. It simply means that a Vendor is registered to conduct business with GDPM as opportunities are made available. At that time, the Vendor may have the opportunity to submit a bid, quote or proposal. Likewise, the submission of a bid, quote or proposal does not guarantee any Vendor the right to an award as all procurement activity conducted by GDPM must be in full compliance with the following regulations:

- 2 CFR Part 200
- HUD Procurement Handbook 7460.8 REV 2
- GDPM's Procurement Policy and Procedures

For registrations you must submit a W-9 Form.

# SECTION 3 BUSINESS CONCERN APPLICATION

Are you a Section 3 business?  Yes  No

\*If you select 'No' to the above question you do not have to complete this form\*

Section 3 is a provision of the Housing and Urban Development (HUD) Act of 1968 that helps foster local economic development, neighborhood economic improvement, and individual self sufficiency. The Section 3 program requires that recipients of certain HUD financial assistance, to the greatest extent feasible, provide job training, employment, and contracting opportunities for low-or very- low income residents in connection with projects and activities in their neighborhoods.

# GDPM SECTION 3 BUSINESS CONCERN

---

I certify that \_\_\_\_\_(company's name) is applying to become a bona fide Section 3 business concern, and that it will meet the following definition of a Section 3 business concern:

Check at least one  Category 1  Category 2  Category 3  Category 4 of the following:

Category 1

Business concerns that are 51 percent or more owned by residents of GDPM housing or developments for which the Section 3 covered assistance is expended, or whose full-time, permanent workforce includes 30 percent of GDPM Residents as employees.

Category 2

Business concerns that are 51 percent or more owned by residents of other housing developments or developments managed by the GDPM that is expending the Section 3 covered assistance, or whose full-time, permanent workforce includes 30 percent of these persons as employees.

Category 3

HUD YouthBuild programs being carried out in the metropolitan area (or non-metropolitan county) in which the Section 3 covered assistance is expended.

Category 4

Business concerns that are 51 percent or more owned by section 3 residents, or whose permanent, full-time workforce includes no less than 30 percent of employees who meet the low-income guidelines and live in the GDPM covered assistance area; or businesses that provide evidence of a commitment to subcontract in excess of 25 percent of the total dollar award of all subcontracts to be awarded to Section 3 business concerns.

---

**Note:** If you certify above that your business is a Section 3 Business, and you qualify for award of the contract based on the preference given to section 3 businesses and described in the solicitation, GDPM may request additional documentation and information as needed. If you have any questions about this form, please our Procurement Department at (937) 910-7500, or by send an e- mail to procurement@gdpm.org.

*"I hereby certify the information provided by me to be true and correct, and understand any falsification of any of the information could subject me to punishment under the law."*

"General Decision Number: OH20230093 04/14/2023

Superseded General Decision Number: OH20220093

State: Ohio

Construction Type: Building

County: Montgomery County in Ohio.

BUILDING CONSTRUCTION PROJECTS (does not include single family homes or apartments up to and including 4 stories).

Note: Contracts subject to the Davis-Bacon Act are generally required to pay at least the applicable minimum wage rate required under Executive Order 14026 or Executive Order 13658. Please note that these Executive Orders apply to covered contracts entered into by the federal government that are subject to the Davis-Bacon Act itself, but do not apply to contracts subject only to the Davis-Bacon Related Acts, including those set forth at 29 CFR 5.1(a)(2)-(60).

If the contract is entered into on or after January 30, 2022, or the contract is renewed or extended (e.g., an option is exercised) on or after January 30, 2022:             	. Executive Order 14026 generally applies to the contract.  . The contractor must pay all covered workers at least \$16.20 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract in 2023.
If the contract was awarded on or between January 1, 2015 and January 29, 2022, and the contract is not renewed or extended on or after January 30, 2022:         	. Executive Order 13658 generally applies to the contract.  . The contractor must pay all covered workers at least \$12.15 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on that contract in 2023.

The applicable Executive Order minimum wage rate will be adjusted annually. If this contract is covered by one of the Executive Orders and a classification considered necessary for performance of work on the contract does not appear on this wage determination, the contractor must still submit a

conformance request.

Additional information on contractor requirements and worker protections under the Executive Orders is available at <http://www.dol.gov/whd/govcontracts>.

=====

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is

like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

---

The body of each wage determination lists the classification and wage rates that have been found to be prevailing for the cited type(s) of construction in the area covered by the wage determination. The classifications are listed in alphabetical order of "identifiers" that indicate whether the particular rate is a union rate (current union negotiated rate for local), a survey rate (weighted average rate) or a union average rate (weighted union average rate).

#### Union Rate Identifiers

A four letter classification abbreviation identifier enclosed in dotted lines beginning with characters other than "SU" or "UAVG" denotes that the union classification and rate were prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2014. PLUM is an abbreviation identifier of the union which prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. 07/01/2014 is the effective date of the most current negotiated rate, which in this example is July 1, 2014.

Union prevailing wage rates are updated to reflect all rate changes in the collective bargaining agreement (CBA) governing this classification and rate.

#### Survey Rate Identifiers

Classifications listed under the "SU" identifier indicate that no one rate prevailed for this classification in the survey and the published rate is derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As this weighted average rate includes all

rates reported in the survey, it may include both union and non-union rates. Example: SULA2012-007 5/13/2014. SU indicates the rates are survey rates based on a weighted average calculation of rates and are not majority rates. LA indicates the State of Louisiana. 2012 is the year of survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. 5/13/2014 indicates the survey completion date for the classifications and rates under that identifier.

Survey wage rates are not updated and remain in effect until a new survey is conducted.

#### Union Average Rate Identifiers

Classification(s) listed under the UAVG identifier indicate that no single majority rate prevailed for those classifications; however, 100% of the data reported for the classifications was union data. EXAMPLE: UAVG-OH-0010 08/29/2014. UAVG indicates that the rate is a weighted union average rate. OH indicates the state. The next number, 0010 in the example, is an internal number used in producing the wage determination. 08/29/2014 indicates the survey completion date for the classifications and rates under that identifier.

A UAVG rate will be updated once a year, usually in January of each year, to reflect a weighted average of the current negotiated/CBA rate of the union locals from which the rate is based.

---

#### WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- \* an existing published wage determination
- \* a survey underlying a wage determination
- \* a Wage and Hour Division letter setting forth a position on a wage determination matter
- \* a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour National Office because National Office has responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the

Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations  
Wage and Hour Division  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board  
U.S. Department of Labor  
200 Constitution Avenue, N.W.  
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
