Clarification Regarding Two Bid Forms

For bids in excess of \$350,000

In order to ascertain whether or not the project will be eligible for a waiver under the Build America Buy America (“**BABA**”) requirements, for bids \$350,000 and greater, GDPM requests each prospective bidder submit 2 bids with this solicitation. One bid will reflect the total bid price using BABA requirements and the other bid will reflect a total bid price while not complying with the BABA requirements.

For bids less than \$350,000, please submit the bid using the NON-BABA Compliant Bid Form.
