SECTION 3

for Workers and Businesses

Learn about employment, training and contracting opportunities that can be available to you under Section 3.

What Is Section 3 and Why Does It Matter?

- Every year the Department of Housing and Urban Development (HUD) invests billions of federal dollars into distressed communities across the country for projects that provide **access to safe and affordable housing and improve public infrastructure**.
- These funds are passed down to public housing agencies, local and state governments or other recipients through grants or financial assistance.
- The financial assistance can be used to **maintain and build affordable housing and improve public infrastructure** in your community.
- **Employment, training and contracting** opportunities that result from the covered projects or contracts must be directed to persons who are low-income (**Section 3 workers**) and businesses that are owned by or employ persons who are low-income (**Section 3 businesses**) to help build economic wealth.
- Best efforts should be made to direct economic opportunities to persons and businesses in the **order of priority** outlined in the final rule requirements.

Who Is Responsible for Providing Access to Economic Opportunities?

- Recipients and subrecipients of HUD assistance
- Contractors and subcontractors working on certain HUD-assisted projects or contracts

How Can Contractors Help PHAs and Grantees Meet the Section 3 Goals?

Contractors can help PHAs and grantees meet the Section 3 goals by being a Section 3 business or employing Section 3 workers. Some grantees or PHAs may offer incentives to businesses that can demonstrate how they will meet the Section 3 goals.

What Is a Section 3 Worker?

A **Section 3 Worker** is any worker who currently fits, or when hired within the past five years fit, at least one of the following categories as documented:

- Person who is low-income
- Employed by a Section 3 business concern

What Is a Targeted Section 3 Worker?

- Over 75% of the labor hours performed for the business over the prior three-month period were performed by Section 3 workers

Section 3 Job Aid

for Contractors & Subcontractors

1 Understand How Section 3 Applies to Your Project or Contract

Section 3 applies to any amount of public housing financial assistance for development, operations and management, and mixed-finance development projects. In some cases, Section 3 may apply to Rental Assistance Demonstration (RAD) and Choice Neighborhoods projects. Material supply contracts are excluded.

2 Understand How to Meet the Section 3 Goals

Meet the Quantitative Goals

25% or more of all labor hours in a PHA's fiscal year must be worked by Section 3 workers, and **5%** or more of all labor hours in a PHA's fiscal year must be worked by Targeted Section 3 workers

Professional service labor hours are excluded from the goals, but may be included by choice.

Make Qualitative Efforts

Provide evidence that you made qualitative efforts to assist persons and businesses that provide opportunities to persons listed in the following order of priority: 1) Residents of public housing projects where assistance is expended, 2) Residents of other public housing projects managed by the PHA providing the assistance, 3) YouthBuild participants, 4) Persons who are low-income residing in the metro area (or non-metro county) where assistance is expended.

 **Helpful Tool:** The Section 3 Guidebook provides a list of qualitative efforts that contractors and subcontractors may undertake to document that they made qualitative efforts to assist persons who are low-income with employment and training opportunities.

3 Understand What a Section 3 Worker Is

What is a Section 3 Worker? A worker who **currently fits**, or **when hired** within the past five years fit, at least **one** of the following categories as documented:

- Worker who is low-income
- Employed by a Section 3 business concern
- YouthBuild participant

*The five-year lookback period cannot date back further than 2020.

4

Understand What a Targeted Section 3 Worker Is

What is a Targeted Section 3 Worker? A worker who is:

- Employed by a Section 3 business concern

Or a worker that **currently fits** or **when hired** within the past five years fit, at least **one** of the following categories as documented:

- Resident of public housing or Section 8 assisted housing
- Resident of other public housing projects or Section 8 assisted housing that is managed by the PHA that is providing the assistance.
- YouthBuild participant

Helpful Tip:

- All Targeted Section 3 Workers are Section 3 Workers. However, not all Section 3 Workers meet the definition of a Targeted Section 3 Worker.

5

Certify Your Section 3 and Targeted Section 3 Workers

Select the Option(s) You Will Use to Certify Worker Eligibility

1. **Worker Self-Certification** - this option allows a worker to verify their own eligibility. A worker may use a self-certification form to certify that:

- Their income is at or below the low-income limit, or
- They are a YouthBuild participant, or
- They are a public housing resident or a resident of Section 8 assisted housing

2. **Employer Certification** - this option allows employers to certify that the:

- Worker's paid wage rate by the employer (if annualized on a full-time basis) is at or below the low-income limit, or
- Worker is employed by a Section 3 Business concern.

3. **PHA/Owner Certification** - this option allows a PHA or an owner or property manager of project based Section 8-assisted housing or administrator of tenant-based Section-8 assisted housing to certify that:

- The worker is a participant in one of their programs.

Helpful Tip:

- If a person does not currently meet any of the categories above, the person or employer can look back five years (if hired within the last five years by the same employer) to verify the worker's status.

6

Determine if Your Business Qualifies as a Section 3 Business

There are two different ways to qualify as a Section 3 business concern. Your business must meet one of the criteria below to be eligible.

1. At least 51% of your business owned and controlled by a person(s) who are low-income OR by a public housing resident or resident living in Section 8 assisted housing.

a. If your business meets the criteria, then you will need to self-certify ownership and income-levels of the qualifying owner(s).

2. In the past 3 months, more than 75% of the labor hours worked for your business must be performed by Section 3 workers?

a. How do I figure this out?

- **Divide** the *total number of labor hours* worked by **Section 3 Workers** over the last three-month period by the *total number of labor hours worked* by **all employees** over the last three-month period. **Multiply** the number by 100 to get the percentage. If the percentage is 75% or greater, your business qualifies. You may self-certify your eligibility.
- **Example:** Over the prior three month period, Contractor ABC had six employees on payroll. Two out of the six employees qualified as Section 3 Workers. The total number of hours that the six employees worked in the prior three month period was a total of 800 hours. The total number of hours that were worked by the Section 3 Workers were 500 hours. To determine eligibility, Contractor ABC divided 500 hours by 800 hours. Based upon the equation, 62.5% of the business' labor hours performed over the prior three month period were performed by Section 3 Workers. The contractor does not qualify as a Section 3 business.

Note: Executive Order (EO) 13706, Establishing Paid Sick Leave for Federal Contractors applies to all contracts subject to the Davis-Bacon Act for which the contract is awarded (and any solicitation was issued) on or after January 1, 2017. If this contract is covered by the EO, the contractor must provide employees with 1 hour of paid sick leave for every 30 hours

they work, up to 56 hours of paid sick leave each year. Employees must be permitted to use paid sick leave for their own illness, injury or other health-related needs, including preventive care; to assist a family member (or person who is like family to the employee) who is ill, injured, or has other health-related needs, including preventive care; or for reasons resulting from, or to assist a family member (or person who is like family to the employee) who is a victim of, domestic violence, sexual assault, or stalking. Additional information on contractor requirements and worker protections under the EO is available at <https://www.dol.gov/agencies/whd/government-contracts>.

Note: Executive Order 13658 generally applies to contracts subject to the Davis-Bacon Act that were awarded on or between January 1, 2015 and January 29, 2022, and that have not been renewed or extended on or after January 30, 2022. Executive Order 13658 does not apply to contracts subject only to the Davis-Bacon Related Acts regardless of when they were awarded. If a contract is subject to Executive Order 13658, the contractor must pay all covered workers at least \$13.65 per hour (or the applicable wage rate listed on this wage determination, if it is higher) for all hours spent performing on the contract from May 11, 2026, through December 31, 2026. The applicable Executive Order minimum wage rate will be adjusted annually. Additional information on contractor requirements and worker protections under Executive Order 13658 is available at www.dol.gov/whd/govcontracts.

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (iii)).

The body of each wage determination lists the classifications and wage rates that have been found to be prevailing for the type(s) of construction and geographic area covered by the wage determination. The classifications are listed in alphabetical order under rate identifiers indicating whether the particular rate is a union rate (current union negotiated rate), a survey rate, a weighted union average rate, a state adopted rate, or a supplemental classification rate.

Union Rate Identifiers

A four-letter identifier beginning with characters other than "SU", "UAVG", "?SA?", or "?SC?" denotes that a union rate was prevailing for that classification in the survey. Example: PLUM0198-005 07/01/2024. PLUM is an identifier of the union whose collectively bargained rate prevailed in the survey for this classification, which in this example would be Plumbers. 0198 indicates the local union number or district council number where applicable, i.e., Plumbers Local 0198. The next number, 005 in the example, is an internal number used in processing the wage determination. The date, 07/01/2024 in the example, is the effective date of the most current negotiated rate.

Union prevailing wage rates are updated to reflect all changes over time that are reported to WHD in the rates in the collective bargaining agreement (CBA) governing the classification.

Union Average Rate Identifiers

The UAVG identifier indicates that no single rate prevailed for those classifications, but that 100% of the data reported for the classifications reflected union rates. EXAMPLE: UAVG-OH-0010 01/01/2024. UAVG indicates that the rate is a weighted union average rate. OH indicates the State of Ohio. The next number, 0010 in the example, is an internal number used in producing the wage determination. The date, 01/01/2024 in the example, indicates the date the wage determination was updated to reflect the most current union average rate.

A UAVG rate will be updated once a year, usually in January, to reflect a weighted average of the current rates in the collective bargaining agreements on which the rate is based.

Survey Rate Identifiers

The ""SU"" identifier indicates that either a single non-union rate prevailed (as defined in 29 CFR 1.2) for this classification in the survey or that the rate was derived by computing a weighted average rate based on all the rates reported in the survey for that classification. As a weighted average rate includes all rates reported in the survey, it may include both union and non-union rates. Example: SUFL2022-007 6/27/2024. SU indicates the rate is a single non-union prevailing rate or a weighted average of survey data for that classification. FL indicates the State of Florida. 2022 is the year of the survey on which these classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 6/27/2024 in the example, indicates the survey completion date for the classifications and rates under that identifier.

?SU? wage rates typically remain in effect until a new survey is conducted. However, the Wage and Hour Division (WHD) has the discretion to update such rates under 29 CFR 1.6(c)(1).

State Adopted Rate Identifiers

The ""SA"" identifier indicates that the classifications and prevailing wage rates set by a state (or local) government were adopted under 29 C.F.R 1.3(g)-(h). Example: SAME2023-007 01/03/2024. SA reflects that the rates are state adopted. ME refers to the State of Maine. 2023 is the year during which the state completed the survey on which the listed classifications and rates are based. The next number, 007 in the example, is an internal number used in producing the wage determination. The date, 01/03/2024 in the example, reflects the date on which the classifications and rates under the ?SA? identifier took effect under state law in the state from which the rates were adopted.

WAGE DETERMINATION APPEALS PROCESS

1) Has there been an initial decision in the matter? This can be:

- a) a survey underlying a wage determination
- b) an existing published wage determination
- c) an initial WHD letter setting forth a position on a wage determination matter
- d) an initial conformance (additional classification and rate) determination

On survey related matters, initial contact, including requests for summaries of surveys, should be directed to the WHD Branch of Wage Surveys. Requests can be submitted via email to davisbaconinfo@dol.gov or by mail to:

Branch of Wage Surveys
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

Regarding any other wage determination matter such as conformance decisions, requests for initial decisions should be directed to the WHD Branch of Construction Wage Determinations. Requests can be submitted via email to BCWD-Office@dol.gov or by mail to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2) If an initial decision has been issued, then any interested party (those affected by the action) that disagrees with the decision can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Requests for review and reconsideration can be submitted via email to dba.reconsideration@dol.gov or by mail to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210.
